Dancing to their Own Tune

Kacie & John

thoughts from the photographer . . .

Kacie and John were married at The Maple Manor in Dallas where they had a beautiful garden ceremony. The couple had an amazing first dance to Cold Play's, "Yellow" performed by a live violinist and vocalist. There was not a dry eye in sight as the couple danced slowly as if they were the only people in the room, a beautiful and symbolic reflection of their love for each other.
